Acting Commandant  
The National War College  
Washington 25, D. C.

Dear General Pachler:

Thank you very much for your kind letter of October 11th concerning my lecture to the War College. I am glad that it proved to be informative and contributed to the knowledge of the class.

During our discussion before the talk on the 9th I mentioned that we had done a survey of the situation in Colombia which I thought might prove useful to you when you reach the counterinsurgency phase. I am attaching a copy of that rather voluminous survey which, although two years old, is undoubtedly pertinent to a very large degree. We would appreciate it if these volumes can be returned at the end of the academic year or whenever they have served your purpose. I have also talked to Col. J. Caldwell King, who is chief of our Western Hemisphere Division, and advised him that you planned to devote some effort on the counterinsurgency phase to Colombia. Col. King has indicated that the Division would be more than pleased to assist you in any manner possible during this work. I would suggest that your staff deal directly with Col. King on this matter. He can be reached on Code

Please don't hesitate to call on us if there is anything further that we may do to be of assistance.

Sincerely yours,

*Lyman B. Kirkpatrick*
